CEPD

Better Education for
Better Outcomes™

Continuing Education and Professional Development

This educational event is approved as an Accredited Group Learning Activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada (1 credit).

These monthly rounds concern new developments in current cancer treatment, supportive care, and research by local, national, and international experts in the field.

Enhancing Your Lifelong Learning to Support Your Practice and Teaching
