

ONCOLOGY CONTINUING EDUCATION UNIVERSITY OF TORONTO

TEMERTY FACULTY OF MEDICINE
UNIVERSITY OF TORONTO
Continuing Professional Development

This educational event is approved as an Accredited Group Learning Activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada (1 credit).

These monthly rounds concern new developments in current cancer treatment, supportive care, and research by local, national, and international experts in the field.

Targeted Therapies in Lung Cancer and Implementation of These Advances in a Large Community Centre

Parneet Cheema MD MBiotech FRCPC
